The screenshot displays the iPark event portal interface. At the top, there are navigation tabs for 'Participants' and 'Booths', along with icons for 'Messages', 'Notifications', and a user profile for 'ipark taro'. A sidebar on the left offers options like 'Show all', 'Favorites', and 'Categories' (Attendee, Exhibitor). The main content area shows a list of exhibitors with search and sorting options. A red box highlights the profile of 'Senba Yutaro', an Exhibitor from iPark Institute Co., Ltd. (Outsourced Vendor). An inset window provides a detailed view of this profile, including a 'Send message' button, also highlighted with a red box.
